The good life on your doorstep

There's a lot of great things to be said about apartment living. You often get all the benefits of a home on a large block - like a pool - and none of the hard work.

Plus, many developments are near a great range of lifestyle and entertainment attractions.

This home is no exception. It is in the Origin Apartments complex, which includes a pool, gym, residents' lounge, gardens and barbecues for your use, plus secure parking and entry.

And it's located in Burswood, putting you close to the Crown entertainment precinct, shops, Optus Stadium, Matagarup Bridge, the river and riverside walk and cycleways, Burswood train station and other transport routes to the City and airport.

It is set on the fifth floor of the building, well-presented with neutral decor and low-maintenance.

Inside, a foyer opens to a roomy living/dining/kitchen area with airconditioning. The chic modern kitchen is built along the walls to maximise space and boasts quality European stainless-steel appliances and stone benchtops.
