

Magical makeover

With a wave of their magic wand and some time and effort, the owners have given this home a Cinderella-like top-to-toe renovation.

Gone is the dated brick facade, it's been replaced by stylish render front and back, and inside, the home looks bright and fresh with attractive timber-look flooring in the living areas and bedrooms and features tiling in the bathrooms.

The heart of the home is the spacious open-plan living/dining area and roomy kitchen with plenty of bench space and storage and stainless-steel appliances, including a large freestanding cooker.

Sliding doors in the living zone open to an alfresco area that runs across the width of the house and is a perfect spot for family barbecues and larger get-togethers.

The garden is a delight, with a central area with artificial lawn where you can set up swing-sets and trampolines, established garden beds, and paved and pebbled areas that are likely to keep the kids entertained as they leap from paver to paver.

There is also room to set up vegetable gardens or add some of your own personal touches and a cosy studio would be a great place for the kids to play or as a man cave or hobby room.

The home is on a 682sqm block, in a fantastic location, with a reserve behind and a short walk from a park. You can drive to the beach in just over five minutes and a range of shops are nearby.
